

Enrichment Classes

Cornerstone Lutheran Preschool is again offering Friday Enrichment Classes to children enrolled in our Pre-K classes. Our goal is to provide continued learning opportunities that engage children in fun and creative ways while preparing them for future success.

YOUNG ARTISTS

Our young artists will explore the seven elements of art: line, shape, color, space, form, texture, and value. Children will build on their imaginations, learn artistic techniques, build fine motor skills and develop self expression as they create their own works of art.

Class Dates: August 28-October 16
Day & Time: Fridays, 9:00 am-1:15 pm
Cost Per Session: \$205

SUPER SCIENCE

Children will participate in scientific experiments, hands-on exploration, discovery and messy fun! Children will focus on observing, classifying, communicating, measuring, predicting, inferring, and recording.

Class Dates: October 23-December 18
Day & Time: Fridays, 9:00 am-1:15 pm
Cost Per Session: \$205

STEM LAB

This class is designed to increase children's interest and knowledge of science, technology, engineering, and math. Children will develop problem solving skills, and pre-math skills such as patterning, comparing, classifying, and gathering data.

Class Dates: January 8-March 5
Day & Time: Fridays, 9:00 am-1:15 pm
Cost Per Session: \$263

YOUNG AUTHORS

This class is designed to increase children's love for literature and language arts. Children will learn about the writing styles of several authors while developing their own reading, writing, and oral expression skills.

Class Dates: March 12-May 14
Day & Time: Fridays, 9:00 am-1:15 pm
Cost Per Session: \$263

How to Enroll: You may register online at www.cornerstonelutheran.church/preschool. Please follow the registration link for 2026-2027. You may sign up for each session individually or you may choose to sign up for multiple sessions.

*Enrichment classes are also open to eligible 4 and 5 –year-olds not enrolled in other CLP preschool classes.
